

**Living Well in Golden Bay
Reminder
3rd May 2013**

In my last email update about the "Living Well in Golden Bay" project, I mentioned the public meetings I'm holding in Takaka and Collingwood next week. This is just to remind you of the time and place for these meetings.

If you're not able to come along to either of the meetings, but would like to hear about the project and discuss what you think we need in Golden Bay, please contact me. I would be happy to organize another public meeting in another location or at a different time, or if you belong to a group, I could come along to one of your meetings. Or you could come along and discuss the project with me one-on-one.

I'm looking forward to collecting all your ideas, and moving on to the next stage of the project.
